PRINCIPALS FOLLOWED FOR CLAIM VERIFICATION

PRINCIPAL AMOUNT

- Principal Amount has verified based on documents submitted by the Claimants, towards allotment of Shops / Commercial Place OR towards collateral/security have been verified from Bank Statements, Amounts received in the bank accounts of the CD and accounted for in the books of accounts of the CD, CRM Data and Tally data available.
- GST paid by the Applicants has been allowed;
- Other charges like, IFMS, LR, DM etc. are also included in principal if these have been paid by the claimant.
- In case of old cases, documents submitted by the Claimant have been relied upon, supported by the entries in the books of accounts and verification of amount from the bank statement;
- Any agreement executed by Mr. Pramod Goel, while taking over from the Erstwhile Management – Mr. Sanjeev Aeren, treating the agreement amount as Principal amount, after verification of amount deposited by the FC in the bank account of CD from the year 2005-06 onwards;

INTEREST

- Interest has been allowed only based on the specific terms and conditions mentioned in that agreement in each specific case.
- Based on Documents executed by the Company with Claimants:

ASSURED RETURN

- Assured Return has been allowed till 22.08.2019 on the basis of documents executed;

PENALTY

- The penalty has been allowed as per agreement, though the legal opinion is divided on this issue. One legal view is that the penalty as well as Assured Return can't be given together, the other view however is that both can be provided. Consequently though in this list penalty has been allowed with specific approval of CoC.

REASON OF DIFFERENCES IN CLAIMED AMOUNT AND VERIFIED AMOUNT

- Uniform methodology with regards to finalization of claims has been followed, irrespective of whether the financial creditor has claimed certain amount or not. A few financial creditors did not claim taxes, TDS, other charges such as IFMS, LR, Dual Meter charges etc. but these have been allowed as has been done in all cases.
- In some cases the difference between the claimed and verified is due to the fact that the financial creditors has made the claim based on the current market value/total cost rather than the principal amount given to the company, which has been disallowed.

NO CLAIM HAVE BEEN APPROVED, IN CASE OF;

- Payment claimed to be made to Promoters by way of Cash;
- Any payment made to the bank account of Promoter- Mr. Pramod Goel;
- Amount claimed and no documentary evidence produced in support of such claims;
